## Investment Risks

***You could lose money by investing in the Fund. Although the Fund seeks to preserve the value of your investment at \$1.00 per share, it cannot guarantee it will do so. The Fund may impose a fee upon sale of your shares or may temporarily suspend your ability to sell shares if the Fund's liquidity falls below required minimums because of market conditions or other factors. An investment in the Fund is not insured or guaranteed by the Federal Deposit Insurance Corporation or any other government agency. The Fund's sponsor has no legal obligation to provide financial support to the Fund, and you should not expect that the sponsor will provide financial support to the Fund at any time.***

## Important Disclosures

† Repurchase Agreement.

<sup>1</sup> The Administrative Class Shares commenced operations on January 2, 2007. The Fund was reorganized on January 2, 2007, when the Institutional Cash Management Fund transferred all of its assets and liabilities to the Fund.

<sup>2</sup> The 7-day yield or 7-day effective yield refers to the income generated by an investment in a fund over a 7-day period. The 7-day and 30-day effective yields also assume that income earned from the fund's investments is reinvested and generating additional income. The yield quotation more closely reflects the current earnings of the Fund than the total return quotations.

<sup>3</sup> The Fund is rated by Standard & Poor's and Moody's. The rating is historical and is based upon the Fund's credit quality, market exposure and management. It signifies that the Fund's safety is excellent and that it has superior capacity to maintain a \$1.00 net asset value per share. Ratings are subject to change and do not remove market risk. For more information on credit ratings including a description of the methodology upon which each rating is based, visit [standardandpoors.com](http://standardandpoors.com) and [moody.com](http://moody.com).

The composition of the portfolio is as of December 31, 2025 and is subject to change.
